

Left and right grill side bars

for early B-10, Late B-10, Big 10, and B-12 tractors.
These are NOT chrome plated, but plain steel. They are very
precisely made and could be painted or plated.
Order P/N 2026098 for the left side and P/N 2026099 for the
right side. These are approx. 16" tall and 2-1/4" wide,
(shown laying down)
